

Guide to Promoting Events

Submit Member News

The Chamber promotes member news events in the [Member News Section](#) of our [Upcoming Events](#) e-newsletter, as well as through social media.

Submit your member news online at www.carolinachamber.org/pages/Newsletters#membernews or email it to njohnson@carolinachamber.org.

We send the Upcoming Events e-newsletter to members on the first Tuesday of each month, and the deadline for submitting member news is the Thursday before publication.

We will post member news to our [Facebook](#) and [Twitter](#) accounts at least once.

The Chamber's online and print calendars are reserved for events hosted or sponsored by the Chamber and our Partnership for a Sustainable Community.

We recommend that you promote your event beyond Member News. Here are a few suggestions:
