

The Chamber
For a Greater Chapel Hill-Carrboro

Community Investor Membership

Annual Investment: \$15,900

You lead our community in giving back, and your investment fuels the Chamber's work to build a sustainable community where business thrives. **Partnerships like yours make our vision possible:** to be a globally recognized community with the talent, infrastructure, and investment that drives the success of local employers and supports world-class education, public amenities, and thriving downtowns. **And we'll give you some great perks along the way.**

“It's the car business, and people can lose track of the fact that we're really people serving people. The Chamber's done a great job of making our company very human in the community – letting people know that we giveback.”
