

Evanston Chamber Gift Card Program

- The Chamber Gift Card Program can be used for awards, gifts, employee incentives or any occasion you choose. The Gift Cards can only be redeemed within the Evanston community at participating Chamber businesses.
- The benefits are huge to the Evanston Community. There are several participating Chamber businesses where the consumer can use the Chamber Gift Cards which in turn keeps the dollars here in the Evanston community!
- By accepting Chamber Gift Cards, it creates an opportunity for participating Chamber Members to gain repeat customers.
- The consumer can feel proud by redeeming Chamber Gift Cards in Evanston knowing they are shopping local which helps the bottom line for the businesses.
- Sales tax collected by using Chamber Gift Cards benefits all citizens who use our parks, roads, water, public buildings, etc.
- To accept Chamber Gift Cards, you must be a Chamber Member in addition to a \$25.00 annual participation fee. The fee offsets the cost of the Gift Card Program and advertising for participating merchants.
