Mission Statement: Menomonee Falls, Germantown & Sussex Chambers of Commerce
bringing together Manufacturers and Students to raise awareness of the opportunities in
the local manufacturing industry and the corresponding educational pathways.

MCE: Helping to Create the Workforce of Tomorrow

As a manufacturing leader in your industry, the Menomonee Falls Chamber of Commerce, Germantown Area Chamber of Commerce, and Sussex Area Chamber of Commerce, welcome your participation in and/or sponsorship of the tenth annual Manufacturing Career Expo (MCE) being held October 24 & 25, 2018.

Locally hosted at Washington County Fair Park & Conference Center, this event will bring together local manufacturers, high school and middle school students, as well as educators and parents, to raise awareness of the career opportunities available in the local manufacturing industry.

Student Attendance:
Since the MCE’s beginning in 2009, we have welcomed over 5,600 students, educators and parents to the Expo. With your support and in coordination with the Menomonee Falls, Hamilton and Germantown School Districts, as well as several area technical colleges, we are working toward attendance by over 1,000 students this year. Invitations to attend have been sent to every high school in Waukesha, Washington, Ozaukee and Milwaukee counties, plus several local home school organizations.

Scholarships:
To date, over $25,500 has been raised! Each year, a portion of the proceeds from the MCE are dedicated to funding education scholarships. These funds, along with corporate MCE scholarship contributions, are distributed to graduating seniors from each of the chamber partnership school districts. It is the hope of the MCE, that one day, a scholarship recipient will come full circle and establish a career with a local manufacturer. With your partnership we can provide the opportunity to make that happen.

Partner with us today to make your company more visible to the workforce of tomorrow.

Reserve your exhibit space or sponsorship by submitting the accompanying registration forms to:

Read What Manufacturers & Educators are Saying About The Manufacturing Career Expo

“There were so many opportunities for students to be engaged with hands-on activities it was really a great experience for the students. Keep up the great work and I appreciate everything that you all do for students!”

~ Bret Warner, Menomonee Falls High School, Technology Education Department, Instructor & Department Chair

“Large number of students and teachers...Very positive Experience.”

~ Participating Manufacturing Company

“Students found multiple exhibitors to interact with and found it very interesting...Overall, I thought it was a very good experience for our students, it got them thinking.”

~ Michelle Wauer, Greenfield High School

Since we are a manufacturing program, they (our students), are exposed to quite a bit. However, getting to see the VAST opportunities they have here, in one area, is very helpful to students.”

~ Cindy Habersat, GPS
