Adam Hoffert is an agent with New York Life Insurance Company specializing in tax advantaged retirement strategies, guaranteed lifetime income, and life insurance.

A lifelong California resident, he was born in San Francisco and moved to the East Bay in 1979. After attending California State University at Northridge, he returned to the East Bay, purchasing a home in Martinez in 2007. He enjoys the East Bay dining scene, trips to the Sonoma Wine Country, and world travel.

He is excited to be a volunteer for the Martinez Chamber of Commerce as an Ambassador, providing him further opportunities to assist with local events, meet business owners and their employees, and network with professionals who care about our community.

Adam finds his work with New York Life rewarding because of the financial security he provides families and business owners throughout the community. With educational and non-threatening service, Adam provides clients in the East Bay with information needed to make an informed choice when it comes to retirement, insurance, and other financial decisions. As you seek financial security for yourself and your loved ones, you want a company and an agent you can trust.
