

- **Bill Ganon – Connect2Sell**

“As a newcomer to New Orleans, my business goal was to immediately broaden my network to help create new clients for Connect2Sell. Joining the Chamber was a strategic and smart move. After only a couple of events, I began to connect with several friendly, welcoming business people who were genuinely open to introducing me to friends and colleagues. Happily, some solid potential clients have emerged and I feel that’s only the tip of the iceberg”.

“I decided to join the Chamber, after attending a Women’s Business Alliance Educational Seminar about ‘Perfecting Your Pitch.’ The event was well organized, the room had lots of energy and I received three networking connections for my business! I also appreciated the follow-up after sharing my vision with a few women at my table. Since then, the Chamber has pushed me to make positive changes for myself and my business!”

I’ve been able to connect with business people and entrepreneurs who have shared their ideas and insights on everything from business growth to technology and work life balance. Most importantly, my involvement has put me in front of decision makers who can make the call on using my company’s services, maximizing our marketing and outreach efforts. Membership has been one of the best business decisions I’ve made.”

- **Wendy Dolan – Get Online NOLA**

"Membership in the New Orleans Chamber has been a great boost for Get Online NOLA.
