

Member to Member Discounts Program

The Walla Walla Valley Chamber of Commerce is always looking for ways to promote its member businesses.

With this in mind we have created a Member to Member Discount Program. Members participating in the program are to provide other members unique discounts that only Chamber members can get. In return, the Chamber will give participating businesses free advertising.

Here's how it works:

The Member to Member Discount Program

- You will determine the discount that your business will offer to other Chamber members but it needs to be a unique discount or benefit only offered to Chamber members.
- The discount or benefit needs to be offered for at least one year.

What your business will gain from participating

- Your business and the discount offered will be promoted with the other participants in a *ChamberNews* insert each month.
- The *ChamberNews* is read by 700+ Member businesses that employ over 14,000 full and part-time employees—that is a lot of potential customers!
