Customized technology solutions & integration

How We Work

EXPERIENCED LOGISTICS TEAM

Our centralized logistics control center in NE Ohio manages over 11,000 clients and 100 employees throughout North America.

GROUP BUYING POWER

We contract with thousands of carriers and leverage our buying power to bring savings to your bottom line.

COMPREHENSIVE ANALYSIS

We conduct a comprehensive analysis of your current freight transportation costs to show you exactly how much money you can save.

VALUE ADDED SERVICES

We manage multiple modes and providers to consolidate communication, visibility, invoicing and data for our clients.

EASE OF USE

There is no cost to enroll with GTS and no minimum usage requirement.
