

If you are uneasy about going out right now, you can still support our local businesses by doing the following:

- *Buy gift cards NOW and use them later.*
- *Buy items now for future pick up.*
- *Keep your memberships current - most places rely on your dues to operate.*
- *If you know a business owner - ask how you can help them during this time.*
- *Offer delivery services to local seniors or those that are more at risk to save them from having to leave the house.*
- *Order takeout from your local restaurant...most of them deliver!*

*Small Business... the heartbeat of the Community*
