February Business of the Month

It is with pleasure that we recognize Treasured Blossoms Flower Market as our February Business of the Month. Treasured Blossoms Flower Market and its owner Tricia Brewer have a special goal to make the flowers at their customers events and occasions a “treasured” memory.

From the start Treasured Blossoms has been active in the chamber. Tricia is a regular at the “Make a Connection” morning networking event at OPA! Greek Taverna. As a Chamber member Tricia has graciously helped by making and donating countless bows for raffle and auction baskets for Chamber events. Many of these bows were made business hours at home while watching TV.

Tricia is a very competent businesswoman. Treasured Blossoms has grown substantially each year and has increased their staff to accommodate this growth. They are a great example of small business creating jobs in our local communities.

I guess we can say that Treasured Blossoms Flower Market has become “a treasured” member for their great customer service and willingness to help us make our events look beautiful.

Massage Envy Rowlett is having a birthday!

It is hard to believe, but ME Rowlett is TEN years old, and we must be having fun, because time has certainly flown by! It has been a privilege to serve the wonderful people of Rowlett and surrounding area, and we look forward to continuing to do so for many years to come. Come by and see our freshly remodeled and expanded service location, and enjoy our grand re-opening festivities March 23 - 25. We have grown and added services along the way (healthy skin facials for example), and are considering adding many more exciting services (microdermabrasion, chemical peels, cryotherapy, stretching, waxing services, and more) soon. But our core was and always will be providing high quality therapeutic massages at an affordable price. "Rowlett is an awesome place to live and do business, and we are grateful to everyone who has supported us for so many years," Dr. Rick and Sandra Klics (owners). "We look forward to serving our customers for many more years to come!"
