COVID -19 Screening Services

*Control your environment
and protect employees*

There is a lot of uncertainty around when COVID-19 testing will be available nationwide.

In the meantime, our Screening Services will minimize risk and protect your employees you need on site. We manage the entire screening process for you including providing our pre-screened and highly qualified staff.

Package Includes

- Monitoring of all entry and exit points
- Screening staff and visitors
- Survey questions to assess potential exposure
- Infrared no-contact temperature checks
- Can accommodate facilities open 24/7
