Join the Class of 2021!

Preparing Tomorrow's Leaders Today

Leadership Santa Maria Valley is a community leadership development program designed to expand the community's civic leadership. Through an eleven-month program of monthly, daylong workshops and seminars, participants engage in face-to-face discussions with experts and key decision-makers in areas of vital concern to the Santa Maria Valley. Spending time together in a small class atmosphere, individuals have an unprecedented opportunity to examine social and economic changes, and their impact on the Santa Maria Valley. It is also a prime opportunity to network and build relationships with other existing and emerging community leaders.

Vision of Leadership Santa Maria Valley

To bring together people of diverse backgrounds into a community-sponsored program which will bring out the very best in each individual for the benefit of the entire community.
