H.U.S.K.Y.

Helping Underprivileged School Kids Year-round

WHAT IS H.U.S.K.Y.?

HUSKY helps to equip economically disadvantaged students with the basic learning supplies they need to be successful at school. A variety of school supplies, from pencils to protractors, will be distributed to area public schools without charge of any kind to the schools or students.

HOW CAN I HELP?

Contributions and in-kind gifts to the HUSKY program are encouraged to help meet the needs of the local student community. **Supplies that are most needed: Paper, pens, pencils, folders and notebooks.** Call United Way of Illinois Valley at 815-223-8339 for more information on how **YOU** can help.

You may drop off supplies at the United Way or IVAC offices
