From the Executive Director

Jim Spring

We have reached the end of 2014 and your 2015 MACC annual dues statement has been mailed. Please respond to the mailing as this is how we operate your chamber from day to day. As you know, our fundraisers are for our charitable contributions in our area. The primary function is our golf outing and pizza bake-off from which we take care of Mayfield High School senior scholarships and other contributions.

I want to thank the current board for their support during 2014 and look forward to working with the 2015 group. Thanks also to the officers during this year. I know that they all put in many hours of their own time to make our chamber successful.

December Luncheon Sponsor REM-Ohio

REM-Ohio was founded in 1987 with the specific goal of helping individuals with intellectual and developmental disabilities. Our services include residential, supported living, vocational and day program across the state of Ohio. In 2012, we opened Opportunities Socialization Center in Highland Heights. The purpose of the program was to provide day services in an intimate setting for individuals who were no longer best suited in the large facilities that were in operation.

This fall, we've decided to expand to try and provide our individuals with some opportunities for work and a small paycheck. We've started a dog biscuit making project, entitled Wags in Bags. The dog biscuits are all made, packaged and labeled in our facility by the individuals and staff. The purpose of this project is not to become the next pet supply giant, but just to offer a quality, local product while providing our individuals some small amount of money for the work that they will be doing.

If you know of someone who may be appropriate to join our program or would just like to order some delicious dog biscuits in the New Year, please contact us at (440)-683-4115. We look forward to hearing from you and are glad to be able to sponsor this event.
