**2020 AGRIBUSINESS COMMITTEE SCHOLARSHIP  
CHEYENNE COUNTY CHAMBER OF COMMERCE**

The scholarships will be paid to the institution of your choice *after your first semester of college is completed*. You must mail or bring in your first semester transcripts and your student identification to the Chamber office. These are non-renewable scholarships.

A selection committee from the Chamber Agribusiness Committee will make the decision and announce the recipient at the Ag Social. The Chamber will let you know if you have or have not been chosen to receive a scholarship. If awarded, we ask that you attend the Ag Social, which recognizes and honors our agricultural community. The Ag Social is scheduled for April 2, 2020. The recipient will be asked to share information about where they will be attending college/tech school, what career they are pursuing, and a little about themselves.

Current college/tech school students may apply if they have not been past recipients. In addition to the above criteria, please include:

6. College GPA and transcripts.
7. Any additional extra-curricular activities.
