People moving to our area spend more money during the initial three months in their new surroundings than non-movers spend in five years. In addition our Visitor's Center see's over 2,500 people each year. For a single investment you capture 5,000 plus people moving to our area over the next two years. Space is limited in the Map & Resource Guide. Contact Javier Sanchez to reserve your space.

The Publication will be the only Official map endorsed and distributed by the Gallup McKinley County Chamber of Commerce.
