

Golf n. a game played on a large open course, the object of which is to hit a ball using clubs, with as few strokes as possible, into each of usually 18 holes

24th Annual Greater Peterborough Golf Open, July 21st, 2017

The Annual Golf Open is one of only two major fundraisers for the Greater Peterborough Chamber of Commerce. It is also an opportunity to build and strengthen business relationships within our community. The event includes 18 holes of golf in a Shot Gun format, lunch, awards and prizes; not to mention fun and networking. This tournament is an effective way for sponsors to reach a captive audience, comprised of community leaders, stakeholders and business owners.

Your Support

Your support and participation in this and other Chamber fundraisers ensures our ability to provide and expand our programs and services. Thank you for helping us continue our shared mission and vision!

Our Mission

The Greater Peterborough Chamber of Commerce is a catalyst to serve and advance business and community interests of the region. We are the leading resource that connects member businesses, through providing resources, education, and access.

Our Vision

The Greater Peterborough Chamber of Commerce will be the premier business resource connection. We will be the essential focal point and provide solutions to lead professional development and business growth in support of a vibrant community.

The Location

The Shattuck, carved from the granite foothills of Mt. Monadnock, is one of the most visually stunning golf courses you'll ever play. Course architect Brian Silva calls this "the most spectacular setting I've ever come across. Each hole is framed by forests of oak, birch and pine, shielding it from the view of other holes so you never feel crowded. It is, as one writer described it, "like 18 separate gems strung together in a perfect setting."
