

GREEN BUSINESS PROGRAM PARTNERSHIP FORM

The National City Chamber of Commerce would like to partner with your organization to cross promote our organizations and further the development of sustainability in our communities. The Green Business Program in National City offers member businesses tools and resources to implement sustainable business practices that cut operating costs, as well as reduce their carbon footprint. The objective of the Green Business Program is to become a one-stop resource for information, education, program participation, and marketing tools to promote "green businesses."

By signing this form, you agree to partner with the National City Chamber of Commerce to develop the Green Business Program by providing support in one or more of the following ways:
