Ellendale Chamber of Commerce High School Scholarship

The Ellendale Chamber of Commerce Scholarship Program awards a \$200.00 scholarship to a graduating senior from the Ellendale area enrolling in a secondary education program in the fall. This amount is obtained from various donations from the business community.

The Ellendale Chamber of Commerce supports youth participation in the advancement of their educational development with a secondary institution. Special consideration is given to students who have exhibited the responsibility, motivation and academic potential with an emphasis on community leadership that many university programs require. Key factors include involvement in community, church, school and organizations. The application deadline is April 3. The scholarships will be awarded without regard to means, race, religion or gender at the annual Ellendale High School Awards Program. Applications for the scholarship may be obtained at the Ellendale Chamber of Commerce office or from the Ellendale High School Guidance office.
