Beautiful Day for 2011 AppleFest

This year's AppleFest celebration started off with the blessing of a beautiful, warm Fall day. The day continued with the many activities planned, including the parade—the longest so far—a breakfast fundraiser put on by the Storehouse Thrift Store, Meet Your Elected Officials, a pedal pull, bingo, pet show, inflatable games, classic car/truck/tractor show, a hilarious play and lots more.

A particularly popular event was the dunk tank, which was new to AppleFest this year.

Several intrepid volunteers took turns sitting in the tank and their friends and families were happy to help raise funds for the Storehouse by purchasing a chance to dunk their favorite person!

A fairly large crowd swelled downtown Main Street and kept the various vendors busy during the day. Vendors offered many different products for sale, from purses and jewelry to spices and home-baked goods.

A thousand "Thank You's!" to the volunteers who helped set up

and clean-up during AppleFest, to those who helped pull off the events, as well as the students and staff from TBC who manned the inflatable games.

A special "Thanks for all your hard work!" goes out to the AppleFest Committee, Jerry and Brenda Rekow, Bob Hardy, Grant Crabtree, Jeanette Reunz, Pat and Ken Bowen, Joan Hoffman, Marilyn Burrow, Peggy Gilbert, Don and Jane Foster, Jeremy Weflen and all who helped make 2011 AppleFest a success!

Thank You, TBC Students!

A big "Thanks a Lot!" is due to the Trinity Bible College Students and Staff who worked so hard cleaning up Ellendale on September 14th. Students did vari-

ous jobs around town, among them: picking up garbage, painting hydrants, cleaning up and sprucing up Main Street, Brandenburger Park and the Senior

Center. Things looked great for AppleFest and the Chamber of Commerce truly appreciates all of their hard work!

Fireside Name Change

If you've driven by the Fireside lately, you may have noticed the 'Steakhouse' is removed from all the signage. After much thought and a lot of comments from customers, we decided it was time to reflect what we are....a Family Restaurant.

Open for breakfast, lunch and dinner; with homemade sweet rolls, soups, pies, dinner

buns and salads, the Steakhouse name misled travelers on what they could expect when they stopped to dine. They thought "evening and expensive", not "homemade, breakfasts or reasonably priced".

New signage will be put in place soon and we will continue to do what we do best... Home Cooking.

Please join us for breakfast, lunch, dinner or any of your meeting and special event needs at "The Fireside Family Restaurant and Lounge", North Hwy 281, Ellendale, ND.

Opera House Event

Learn the story about the historic markers between North and South Dakota on Friday, **October 7**, 1:30 - 2:15 pm or 7-8:30 pm at the historic Ellendale Opera House. UND Professor of History Gordon Iseminger

offers this free presentation, **The Quartzite Border.**

Enjoy a soup and sandwich supper for \$6 between 5 -7 pm.
