HOW TO WIN

The score at the end of the third quarter will determine the winner. For example, if the home score is 13 and the visitor score is 17, find the last digit of each score on the grid and follow them down and across until they intersect--this is the last two digits of the winning book.

	0	91	92	93	94	95	96	97	98	99	100	

For each NFL Monday Night Football game from September 14, 2015 through December 28, 2015, and the Super Bowl on February 7, 2016, \$50 will be awarded (\$100 for the Super Bowl) to each winning booklet. For every 100 raffle booklets sold, there will be one winner. Each winner will automatically be mailed a check to the name/address provided on the tear-off portion of the booklet cover.
