

The Regional 30 Under 40 event annually recognizes 30 professionals under the age of 40 who are making a major impact on local communities within the west suburban region. Designed and sponsored by the West Suburban Chamber of Commerce & Industry and held at the Brookfield Zoo, the event presents individuals who contribute to the Chamber's mission of building a vibrant community of thriving businesses who understand the greater good of our communities. As a sponsor in 2020, you'll have the opportunity to be part of recognizing this outstanding group of young professionals who are making a difference. The event date will be announced as soon as we are able to meet in person!
