Spotlight on Business

Uflooria is a family owned flooring store in North Port. It is owned and operated by the lovely Brits Kieran and Tracie Pickard from The UK. They bought the store 4 years ago after the existing owner retired.

Back in The UK, Kieran had been designing bathrooms and installing tile for more than 26 years whilst Tracie was busy running 2 pubs and raising 3 daughters.

The store has been serving North Port and the surrounding areas for more than 2 decades competing against the big box stores, but the thing that sets them apart is the genuine care and attention you get when you shop at their store.

The service is second to none from start to finish with a great knowledgable staff and polite efficient installers that take pride in their work. They offer an in house service so that you can view new flooring in the comfort of your home. Tracie takes the time to bring you samples of your choice and offers advice on color selection should you need it.

They have now introduced a bathroom/shower remodel service into the business so if you are in the market for a new Bathroom or Shower then give them a call or drop by the store. Kieran has a fine eye for detail and is able to design your new bathroom to give it the wow factor.

They have an extensive range of LVT Laminate, carpet and tile. With a 5 star rating from many customers you won't be disappointed.
