**Matthews Insurance Services**

Did you know?

I have over 25 years in the insurance industry with both claims and sales and I would love to be your Trusted Advisor. Matthews Insurance is a family owned and operated agency proudly offering auto, life, home and many other products to protect you, your family and your business. But there is more to Allstate than just personal lines.

- Did you know that Allstate Workplace is the industry leader for Employee Benefits? We are currently ranked #1, over Aflac and the others, in providing supplemental insurance solutions to businesses—large and small alike.

- We now insure: Home Depot, Lowes and Walmart to name a few.

- The best feature of this plan: There is NO COST to the employer and it is customizable. It allows you to attract and retain quality employees by offering benefits such as dental, vision, disability and life insurance in addition to supplemental health and critical illness.

Call me today to find out more about this exciting opportunity to provide your employees with something “extra” that sets you apart from other employers. I only need about 15 minutes of your time to introduce Allstate Workplace. I can help you understand how to integrate this into your business plan. Together, we’ll work to evaluate your needs and select the right plan for you.

"My husband and I used the services of Frank Gailer, A&F Shuttle Transportation with Class LLC, to and from Tampa International Airport in July. It was so great to be picked up from and delivered to your front door before and after vacation. Frank was prompt, courteous and very professional. I would highly recommend him for all of your transportation needs." --- Linda Zick, IBC-Mary Kay
