Program Purpose:

Leadership North Port is a series of city-wide programs designed to enhance participant's awareness of our community and its needs by examining how leadership in the historical, geographical, educational, economic, governmental and cultural segments work together to perpetuate and advance the North Port community and its citizens.

The program is also designed to nurture and engage the leadership skills of potential and current leaders by providing an atmosphere that stimulates and fosters diverse viewpoints, resulting in innovative answers to the critical questions facing our community.
