The Communicator

Hello everyone! My name is Michael Berendse. I am so pleased to be in North Port, FL and to be a part of this exciting and growing community! Joining the North Port Chamber of Commerce has been a great decision! I appreciate the warmth and generosity I have been shown here. I am originally from Rapid City, South Dakota and although proud, I am happy to be in a warmer climate! I have been in the merchant processing industry for over Five years and I have more than 100 happy customers. I am experienced in dealing with merchant accounts and credit card processing. Running a business brings many responsibilities; however, worrying about your Merchant Processing shouldn’t be one of them. Argus Merchant Services provides flexible credit and debit card payment processing platforms that help shape your business. I take the burden of worry by providing outstanding local customer support, dedication and knowledge. At Argus, My mission is to make your experience with payment processing as simple, easy and affordable as possible. I want you to understand our business, rather than exploit you for your lack of knowledge. We dedicate ourselves to providing the best customer service in our industry. I understand the importance of your processing working the right way; therefore, when you need me, I will be there. Argus provides clients with highly competitive rates. All types of industries are accepted including small, medium, and large businesses. We sought out to become the most cost effective and successful company for you. If your business is currently processing and looking for a better solution, or you just haven’t had the right professional service that your business deserves, contact me for a free analysis! I look forward to helping you and your business! The North Port Chamber of Commerce has exceeded my expectations and I am excited to be a part!

A Message from the Executive Director

The North Port Area Chamber of Commerce is offering the opportunity for Chamber businesses and non-Chamber businesses to order and purchase advertising opportunities in the 2017 North Port Maps. These maps are very popular and the Chamber will have 5,000 maps printed and distributed locally, statewide and nationally beginning July 3, 2017. Businesses interested in purchasing an ad in the North Port Map must order and make payment no later than Friday, May 12, 2017. The cost of the business card size ads are $125.00 for a back-side ad ($175.00 for non-Chamber businesses), $175.00 for a map-side ads, $250.00 for map-side Display Ads, $350.00 for Panel Ads and $750.00 for the Back Panel Ad. Order forms are available at the Chamber office or can be e-mailed to you upon request. Advertising opportunities are limited and secured on a first-come/first-serve basis, so order your ad today.

The North Port Area Chamber of Commerce will be hosting the "A Night at the Races" on Saturday, May 13, 2017 from 5:00 pm - 10:00 pm at George Mullen Activity Center in North Port. The "A Night at the Races" will be an evening of fun-filled excitement for people who enjoy horse racing, dancing, and a chance to win fabulous prizes. The thoroughbred horse races are up-to-date productions shot with five cameras. Each race features commentary by professional race track announcers and show the horses parading to the post, loading in the gate, split screen close ups, horses in the lead graphics, the tote board results, the winning horse in the winner's circle, slow motion photo finish replays, plus a full graphic and commentary announcing the results of each race. This year, we are adding casino games to the event for the enjoyment of our participants. A food buffet & beverages (including adult beverages) will be provided throughout the event. Each person will receive "Play Money" with their ticket in order to bet on the horse races. Participants can purchase additional "Play Money" throughout the evening if needed. In between races, while betting occurs, attendees will enjoy entertainment and dancing. There will even be a special "Hat Contest" conducted between the 4th & 5th race and the winner will receive additional play money to use on the races or prizes. At the end of the evening, participants will have the opportunity to win fabulous prizes with their "Play Money" through the Reverse Raffle and Live Auction. The cost to attend is $35.00 per person or $60.00 per couple. Half-table sponsorships (seats 4) are available for $200.00 (includes name recognition on table, name recognition in Official Program, and verbal recognition at event) or full-table sponsorships (seats 8) are available for $350.00 (includes name recognition on table, name recognition in Official Program, and verbal recognition at event). There are additional sponsorship opportunities, which will be offered on a first-come/first-serve basis, listed on the flyer included in this month's Communicator Newsletter. This event is open to all Chamber members and to the public.

Sincerely,

William J. Gunnin

It is preferred that all ads be submitted with computer generated electronic files. The map is produced using Adobe InDesign on a Mac platform. Advertisers may submit: Photoshop files, TIFF, EPS, JPEG, and PDF files. Files must have fonts embedded and colors set to CMYK. Illustrator files should have fonts set to outline.

Digital images should be submitted at 100% of their printed size (please see above for ad dimensions), 300 dpi in CMYK. Microsoft.PUB files are not acceptable and must be “saved as” to one of the above requested formats.

For any ad to be built by the publisher from “scratch”, the advertiser must submit high resolution CMYK logos and/or photos accompanied by a sketch, at size, of what is requested for final ad design. In most instances, there will be no additional fees incurred for ad composition by the publisher. For production questions, advertisers are welcome to contact the House of Maps directly at 941-924-8998. E-Mail: craigmap@aol.com

If you, the Advertiser, have been sent a proof, you will have 48 hours after receipt of the proof to either approve or send corrections. Failure to respond to the proof will deem the non-response as approval and the ad will run as is.
