Cruiser’s Travel and Tours

We are a full-service travel agency who is your travel consultant. We help you make sense of all the information available on the internet today. We support you from the time you book with us until you are safely back home. We can help you see the world, one trip at a time through cruises, river cruising, land tours, all-inclusive resorts, bus, train or a combination of it all.

There are many ways of seeing the world. There are ocean cruises, river cruises and land tours. You can fly to the various destinations and visit on your own or with the river cruise or land tour to get a taste of the native culture at those destinations. Land tours can be fully escorted or independent or a combination of both and customized to your itinerary. And, don’t forget those all-inclusive resorts where you get great accommodations, great food and relaxation.

River cruising, domestic and Europe, is the attractive alternative cruising option. They allow you to see various destinations not accessible by the large ocean cruise. They are luxurious and most are all inclusive, including shore excursions.

Why not consider a short cruise to the Caribbean for your next training function or convention? It may be cheaper than a land-based function as cruise lines don’t charge for the meeting rooms or the audio visual equipment and your food, entertainment and room is included in the cruise fare. Booking a group can add additional amenities not available otherwise. Don’t forget it can be tax deductible! Continuing Education seminars at sea are available for multiple employment categories like real estate, plumbing, insurance, medical and others.

Contact Elaine Sklom at Cruiser’s Travel and Tours, a full-service travel agency, for your travel needs. We can be contacted at 941-979-9798 or Elaine@cruiserstravel.net. Our website is www.cruiserstravel.net.

Hello Everyone,

As you all know, the summer is typically a slower time period for all of our local businesses and each business is limited on the amount of marketing that they can afford to promote their business out in the community in order to attract new clients/customers.

Here is a chance to promote your business and it will not cost you anything to participate.

Beginning Tuesday, May 30, 2017, I will be kicking off the Summer "BILL" board Campaign. This Campaign will continue daily, Monday - Friday, until Friday, September 1, 2017.

Since I am frequently out in the community at different events and functions on behalf of the Chamber of Commerce and with the amount of visitors that visit the Chamber office daily, what better way to promote your business than having me wear your business shirt for a day. I will proudly display your business shirt on your scheduled day and will return the shirt (washed and dried) shortly following that day. I will e-mail a brief promo out about your business to all of our Chamber members the day that you reserve for me to wear your shirt and post a picture of me wearing your shirt and the brief write up about your business on the Chamber's Facebook Page.

If you would like to schedule a day for me to wear one of your business shirts (size 2XL please), please call me at the Chamber office at (941) 564-3040 or e-mail me at wgunnin@northportareachamber.com. Summer "Bill" board Campaign days will be scheduled on a first-come/first-serve basis.

Please provide business shirt three (3) days in advance of scheduled day.

Hurry, these dates always fill up quickly.

Bill
