Corona 2020 Update - Closing In On 45 Years In Traffic Saved!

The groundbreaking partnership to improve health care, attract more jobs here, and save time lost in traffic known as Corona 2020 is approaching 45 years of savings in traffic, or stated another way, 400,000 hours! To date, the Corona 2020 partnership has helped private employers like you produce over 1,700 jobs while helping attract high quality physicians and health care providers here. Every new job, every new health care provider saves time on Corona's roads and that helps create the huge net savings of almost 45 years to date!

New Home Company has added 300 jobs under Corona 2020 putting us at 2,000 jobs created!

Washington DC Summit, Sept 9-11
