

# 58TH ANNUAL DINNER & RECOGNITION AWARDS

WEDNESDAY, JANUARY 30, 2019

## AUCTION ITEM REQUEST FORM

The South County Chambers of Commerce invites you to participate in the 58th Annual Installation Dinner. It will take place Wednesday, January 30, 2019 at the South County Regional Center. It's a night of celebration and acknowledgment of all we accomplished during the past year and a preview of what we plan to accomplish in the coming year.

Once a year we ask our members and the local community to donate goods and/or services to showcase in the silent auction portion of our event. In return, your business will be listed in our event program, auction sheets, and in our appreciation materials printed in the newsletter. The funds raised will be used for programs and special projects designed to promote a strong local economy. Since our Chamber is a nonprofit 501©(6), your donation is a write-off as a business expense.

Please indicate below how you would like to participate in the 2019 Silent Auction:
