FOR IMMEDIATE RELEASE

Stone Soup Music Festival is Cancelled this Summer for Downtown Grover Beach

GROVER BEACH —The loyal music fans who follow the annual tradition of attending Stone Soup Music Festival in downtown Grover Beach will have to pass this year. Due to the restrictions on events and safety concerns with large gatherings, the South County Chambers' Grover Beach Steering Committee, a monthly meeting of Grover Beach business owners and City representatives, recommended the cancellation of Stone Soup Music Festival this summer.

This year's Stone Soup Music Festival, originally scheduled for August 22 and 23, would have been their 30th annual event. This celebration draws thousands of local residents and tourists to the Ramona Garden Park area of Grover Beach for a two-day festival of nonstop, live music on two stages in addition to dozens of vendor booths showcasing food, art, crafts, and merchandise for sale.

The committee is planning to continue the Stone Soup Music Festival tradition next summer.

Please contact South County Chambers of Commerce at office@southcountychambers.com, or (805) 489-1488 with any questions.
