

Nicole J. Harrell

Kaufman & Canoles

Attorney

Nicole J. Harrell is Chair of the Data Privacy and Security Practice Group at Kaufman & Canoles. Her practice includes preparation of incident response plans and counseling clients on preparing for a cyber incident. She helps clients understand their risks and plan accordingly. Once a cyber incident occurs, Nicole coordinates forensic analysis, media announcements, response plans and notifications. In addition, she works with clients on cyber insurance coverage and claims and regularly reviews and negotiates third-party vendor contracts for data security and privacy concerns.
