COVID19 UPDATE:

Due to the increased potential risk of COVID19, VersAbility's Hampton, Newport News, and Gloucester locations will be closed for a minimum of two weeks effective immediately.

The health and safety of our staff as well as the people with disabilities we serve is our top priority. VersAbility staff will continue to care for the people we serve in our residential homes. Additional staff will continue to work remotely. Please continue to check our Facebook page for the most up-to-date information on the status of our closures.

Please email info@versability.org if you need assistance or have questions during this time. Thank you for your understanding as we navigate through this tough time together and please stay healthy and safe!
