

Virginia Peninsula Chamber of Commerce 2018 Business Directory & Resource Guide

ENHANCED BUSINESS LISTINGS

Dear Chamber Member,

We want to say 'Thank You' to those who have signed up to sponsor the upcoming Virginia Peninsula Chamber of Commerce 2018 Business Directory & Resource Guide. You are investing in the most trusted publication in our community.

For those who were unable to participate in the display advertising, you still have an opportunity to increase your company's visibility and highlight your business by purchasing an Enhanced Business Listing for a nominal charge. This addition was made possible because we want all of our members to have every opportunity to promote your company through our most popular publication that is distributed to thousands of people.

Our publishing partner, Town Square Publications has partnered with Chamber Directory Services to contact our members and verify their listing information and also allow the opportunity to purchase an Enhanced Business Listing. The enhancements can be purchased by members at a very affordable price.

The printed publication will be distributed through Chamber member advertisers, and thousands of people who request information in our office, local businesses, realtors, the Peninsula hospitality industry and by request through internet and phone inquiries. No other publication offers the distribution that we can promise. Most importantly, it will appear on the Chamber's website that receives thousands of hits monthly from people who are seeking digitally, business, relocation and economic opportunity information about our community.

Time is limited! If you are interested in purchasing an Enhanced Business Listing please contact Chamber Directory Services, at 800-807-6805.

Thank you for your continued support of the Virginia Peninsula Chamber of Commerce.

Michael Kuhns
President & CEO
