

C. Renée Turner

Career Advisor, Specialist in Professional Development

As a leader Renée Turner believes in empowering others to become the best at who they can become. As a specialist in professional development she works with individuals to help identify meaningful strategies and opportunities that can lead to success in career, business, or personal life. Renée is a Career Advisor with ECPI University and enjoys working with students as they pursue their academic goals. Recognizing the importance of giving back and developing a network of professional contacts, Renée believes strongly in volunteerism and giving of one's time and talent where at all possible, as when she served as an Ambassador for the Virginia Peninsula Chamber of Commerce. Renée believes, "a well-informed person is an empowered person."
