

Speaker Bio

Taffi N. Simone, M.S.R.S., R.T. (R)(CT)

Taffi works for Riverside Health System Headquartered in Newport News, VA.

Leadership and Professional Workforce Curriculum Developer/Facilitator health system wide (we have roughly 10,000 employees.)

Taffi's educational background includes 25 years in the health care industry, 17 years with Riverside. She has a Master's in Education, certified in Radiography, and Computed Tomography, has a Lean Six Sigma Yellow Belt, as well as a certification in Creating Leadership Development Courses and Programs from ATD.

She has assisted with various operational curriculum development projects, educational courses, and developed programs, as well as published at the state and national level within and outside of Riverside. She has served on the VA State Society Board of Directors, a VA State Delegate, and completed the National ASRT Leadership Development Program.

She is currently the Rad. Business Education program manager for RAD-AID International and has travelled abroad to train physicians and lecture at numerous events, conferences, educational facilities, and a proud veteran of the U.S Air Force.
