As a Commercial Lines Agent for McGriff, Alan is a Vice President who is focused on evaluating risk exposure and developing strategies and risk management programs to reduce the total cost of risk for his clients. His other areas of expertise include:

- Management of Insurance Portfolio of Coverages for Business
- Providing Risk Management Solutions to Mid-Size and Large Companies
- Customized Client Service Strategies
- Coverage Review, Risk Analysis and Exposure Identification
- Captive and Alternative Risk Consulting and Operational Management
- Identifying and Implementing Workers' Compensation Risk Management Solutions
- Developing Analytical Reports Including Loss Analysis, Experience Modification, and Benchmarking

Alan has been a licensed insurance professional since 2008, and a valued team member with McGriff since 2013. He has 12 years of insurance brokerage experience in the European and U.S. markets.

Alan earned his bachelor's in business administration/management from Virginia Commonwealth University. He holds a Property & Casualty License and has clients with multiple state exposures across the U.S., as well as internationally.

"I always strive for excellence with everything I do. My goal is to ensure my clients feel secure & that we are constantly looking out for their best interests and protection."
