

Sydni Lovell

CEO of Sleepy Paws, Sydni Lovell, is a natural pet lover with a unique mission. Throughout her senior year at Deep Creek high Sydni developed her own small business that is devoted to refurbishing old furniture to create new pet beds. After a family friend donated an old bench to Sydni, she sought an opportunity for the perfect business. Sleepy Paws is a company that applies the timeless saying “One man’s trash is another man’s treasure” literally when making each pet bed.

Last month, Sydni debuted her Sleepy Paws booth at the 2nd Annual VA Peninsula YEA! Trade Show, which was hosted by Paragon Theaters 12 in City Center, Newport News. Sydni has plans to continue to develop her business as she builds her order lists. This amazing young entrepreneur also one day hopes to expand to make beds for larger pets, including both cats and dogs.
