

## Sarah Lewis

A gifted Tabb High School senior, Sarah Lewis, is the sole founder and CEO of TrackActs, a digital application designed to help high school students apply to colleges. Throughout her senior year at Tabb High School Sarah has steadily worked on the development of her app. She's reached out to numerous digital professionals to assist her in the launch of her product/service.

Last month, Sarah was rewarded the opportunity to actually travel to Nashville, Tennessee where she competed at DECA Nationals. Although she could not appear at the 2<sup>nd</sup> Annual VA Peninsula YEA! Trade Show, which was hosted by Paragon Theaters 12, Sarah was able to share the news about her business at the DECA competition. Sarah has big plans to continue to develop her digital application over the summer.
