

DeForest Windsor Area Chamber of Commerce

Chamber of Commerce Mission Statement:

“To provide pro-active leadership to advance a positive business environment and foster economic growth, through community identity involvement, and membership participation.”

advocate

To be the voice of the business community in matters most important to the future of the greater community by convening area business leaders to identify needs and issues and communicating with policy and decision-making bodies that effect the community about business needs and issues.

educate

Facilitate access to resources and tools that contribute to a thriving business environment by supporting the development of a quality work force; informing the membership and community; and enhancing collaboration and relationships among business and the community.

- Educational breakfast workshops held quarterly
- Educational speakers at the monthly luncheon (1st Tuesday of the month)
- Chamber electronic newsletter E-Blasts to keep you informed of local issues and events

promote

To promote and support business by creating a vibrant community, enhancing business visibility at Chamber events, and supporting economic development while promoting the area. Provides you with access to networking events that can lead to key partnerships and opportunities such as:

- Listing in the DeForest Windsor Area Community Guide
- FREE access to Chamber website marketing tools: Hot Deals, Job Postings, and Community Events
- Monthly luncheon (1st Tuesday of the month)
- Participation in the Chamber Gift Certificate program
- Business/community Expo
- Annual Golf Classic
- Chamber Gala Celebration
- Ribbon Cuttings/Grand Openings
- Committee and sponsorship opportunities
- Quarterly Business After 4
- Access to the Warm Welcome Program
- Electronic Membership Directory
- Business Profile Listed on Chamber Website Directory with Link
- Chamber Referrals
