## BUSINESS APPRECIATION MONTH

# THANKS TO OUR MEMBERS

The Halifax County Chamber of Commerce would like to thank all of our members in honor of Business Appreciation Month. We are a member driven business organization working to improve business and build a better community. The Chamber membership includes business from sole proprietors to companies with over 350 employees.

Most importantly, the Chamber is people. People who realize that through the Chamber they can accomplish collectively what no one of them can do individually. The strength of the Chamber lies in attracting the greatest number of members and creating a pool of resources from which the organization can draw energy, ideas and finances. We would not be able to offer the programming and support without our members, and for that we say, "Thank you!"
