Get Involved...Get Connected***

The Halifax County Chamber of Commerce is the area's largest coalition of businesses. Its network of business people, managers, professionals, elected officials and individuals working together to create a friendly and prosperous community. The Chamber serves as the front door to the community, and there's always a welcome greeting for those who call or drop by for a visit. A progressive Board of Directors and staff assure that the Chamber is there to serve – today and tomorrow.

All Chamber members are eligible to participate and serve on any of our active committees. They work diligently to create and maintain the high quality of life and a positive business environment. Utilize your talents, improve your leadership skills.

Below is a listing of all Chamber committees. Please let Chamber staff know if a particular committee is of interest to you. Veteran volunteers may be interested in serving in another capacity. The Chamber is continuously seeking involvement and new ideas.
