Safe Pledge Guidelines

- Develop a COVID-19 preparedness and response plan consistent with the OSHA or CDC recommendations.
- Increase facility cleaning and disinfection to limit exposure to COVID-19.
- Reduce occupancy in common spaces to ensure compliance with CDC social distancing guidelines.
- Encourage customer hand washing/sanitizing and social distancing.
- Enhance employee protocols including increased regular hand washing, sanitation efforts, and social distancing.
- Require and/or encourage the use of face coverings by staff and customers as directed by governmental orders.
- Abide by applicable orders and directives issued by local, county and state government public health officials.
- Continue to provide a warm yet social distanced welcome to our visitors!

This pledge is an effort to do all that we can in helping slow the spread of respiratory illnesses.
