For more than 10 years VICA has given its members an opportunity to meet their state elected officials in an intimate and candid setting during the State Officeholders Dinner. This year, 16 state elected officials joined more than 200 VICA members for a reception, dinner and a spin of VICA’s Wheel of Questions. All officeholders took the stage to answer personal and policy-related questions or show off a skill in the new segment, The Legislature’s Got Talent.

VICA thanks the following state officeholders who attended:
