

REPORT: December 7, 2016

SUBJECT: GPTQ Preconstruction Awards Committee Report

MINUTES:

- The Committee discussed the Award presentations and procedures which took place at the Georgia Transportation Summit in November of 2016. The group was pleased with the proceedings and the awards.
- The Committee thanked David Norwood for his service as Co-Chair of the Committee, and welcomed Tim Matthews, who will be serving as Co-Chair for 2017.
- The Committee discussed options for allowing the GP winner to display their project during 2017. T. Matthews will investigate possibilities for display, including the 4th floor displays, the television display loop in the GO lobby, and the website, among others.
- The Committee discussed the possibility of a Planning award. Committee members to review further for February's meeting. T. Matthews will discuss with GDOT internal whether or not an additional GDOT member is appropriate, and whether or not that member should have a planning background.

Next meeting date: February 1, 2017, 11:00 AM
