1. Objectives of Committee
   a. Identify areas of potential improvement between GDOT and Consultants or Public.
   b. Identify areas where process improvements might be needed.
2. Old Business
   a. None for this teleconference.
3. New Business
   a. Discussion of Intersection Control Evaluation (ICE) policy, and levels of effort needed to deliver an ICE document to the department.
   b. Discussed Chapter 13 of the Design Policy Manual and methods to make it more relevant. Notes and potential revisions were discussed but are not ready for submittal or review. Tasks yet to accomplish with respect to this potential revision:
i. Coordinate with ITE Microsimulation Task Force to discuss review procedures and their work to date. [Aaron Steede]

ii. GDOT Planning needs to be on board with any changes to the chapter [Bill: Call to Tom McQueen to Discuss]

iii. GDOT Design Policy and Support need to be apprised of intentions and their input sought. [Bill to call Dan Pass]

4. Action Items
   a. See above bolded items.

5. Next Meeting
   a. April 18, 10:00 AM at TMC
   b. May 16, 11:00 AM Teleconference

The above represents our understanding of the items discussed. Please notify us of any discrepancies or questions as soon as possible.
