

1. Engineering Services - new Outlook Mailboxes

**Engineering Services – Concepts** – [engsvcsconcepts@dot.ga.gov](mailto:engsvcsconcepts@dot.ga.gov)

- All Concept Report reviews
- All Revised Concept Report reviews
- All Initial Concept Team meeting attendance requests
- All Concept Team Meeting attendance requests

**Designer Estimate Questions** - [DesignerEstimateQuestions@dot.ga.gov](mailto:DesignerEstimateQuestions@dot.ga.gov)

- Any construction cost estimate question. Examples are pay item usage, unit prices, and lump sum prices. All questions must be submitted by the Design Phase Leader (DPL), with copy to the Project Manager, assigned to the subject project.

**Engineering Services – Specifications** – [engsvcsrevsubmt@dot.ga.gov](mailto:engsvcsrevsubmt@dot.ga.gov)

- All official specification change requests. All change request must be made by the specification team member from the office that owns the specification. For more information see GDOT Policy 2445-1.
- All official project specific special provision reviews, for example 107.23H.
- Any general specification questions. This included specific specifications, processes, etc.

**Engineering Services – Review Submittals** – [engsvcsrevsubmt@dot.ga.gov](mailto:engsvcsrevsubmt@dot.ga.gov)

- All constructability reviews
- All maintenance project reviews
- All field plan review requests
  - After the project is assigned to a design reviewer the PM will no longer email this address. They will communicate directly with the assigned design reviewer.
- All corrected FFPR plan/18 week plan review requests

NOTE: The PMs will still need to provide the necessary hard copies to Engineering Services (per the Standard Distribution List).

Please continue to use the existing mailboxes as noted below:

**Cost Estimates and Updates** – [CostEstimatesandUpdates@dot.ga.gov](mailto:CostEstimatesandUpdates@dot.ga.gov)

- All Programmed Cost Estimate Update requests

**Engineering Services – Certifications** – [Certifications@dot.ga.gov](mailto:Certifications@dot.ga.gov)

- All Environmental, Utility and ROW certifications, as well as ADA letters and PS&E letters.
