COMMITTEE ACTIVITIES:

Revision of Specification Section 687: Traffic Signal Timing:
- Revisions are in final stages
- Jeff Legg of URS is leading the revision effort
- Goal is to have revision complete in June for approval by GDOT in July
- GDOT projects to incorporate new specifications in new fiscal year

Revision to Signal Design Guidelines:
- Minor revisions are anticipated
- Larry Overn of Stantec will oversee the revisions
- Committee is performing an initial review of the guidelines – Comments due May 31
- Key items discussed in June meeting – Need for additional discussion sessions and assignments for work on revisions

Revision to ITS Design Guidelines:
- These guidelines need a major revision
- Work will begin after completion of the Signal Design Guidelines
- Scott Mohler of URS agreed to lead this revision
- Organization and startup of this effort is expected in Fall of 2013

Revision to Signing and Marking Design Guidelines:
- To be addressed by the committee at a later date.

Next Meeting:
Tuesday, June 11, 2013 from 10 to 11:30 AM at the GDOT TMC
