

**Face coverings are required. Do not touch your face with unwashed hands or with gloves.**

**Frequently wash your hands with soap and water for at least 20 seconds or use hand sanitizer with at least 60% alcohol.**

**Clean and disinfect frequently touched objects and surfaces such as work stations, keyboards, telephones, handrails, machines, shared tools, elevator control buttons, and doorknobs.**

**Cover your mouth and nose when coughing or sneezing, or cough or sneeze into the crook of your arm at your elbow/sleeve.**

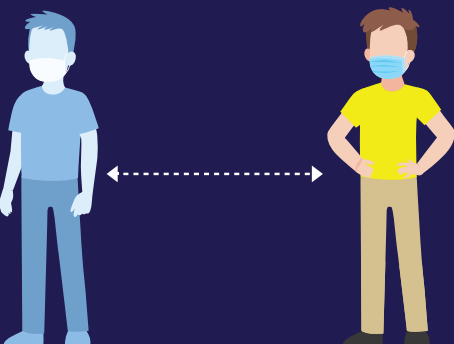

# SAFETY REQUIREMENTS

for construction projects

**Do not enter the jobsite if you have a fever, cough, or other COVID-19 symptoms. If you feel sick, or have been exposed to anyone who is sick, stay at home.**

**Constantly observe your work distances in relation to other staff. Maintain the recommended minimum six feet at all times when not wearing the necessary PPE for working in close proximity to another person.**

**Do not carpool to and from the jobsite with anyone except members of your own household unit, or as necessary for workers who have no alternative means of transportation.**

**Do not share phones or PPE.**

# NO COMPLIANCE NO INSPECTION
