**NORTH BAY
BUILDERS EXCHANGES
INSURANCE TRUST**

The North Bay Builders Exchanges Insurance Trust (NBBE) is a partnership between many local North Coast and Bay Area Builders Exchanges and their members. NBBE was formed in order to simplify the complexities of healthcare by offering one complete program focusing on choice, quality and affordability. We offer our members a choice between PPO, HMO, EPO and High Deductible Health medical plans through Anthem Blue Cross and Kaiser. We also offer dental, vision, and life & disability plan options. To learn more about the options available only to NBBE members, please access the several tools and resources below:
