“Lacking a career ladder from another course? This one is the next step, and leads you all the way up!”

NORTH BAY TIP

An Apprenticeship Readiness Program

Find a Rewarding Career in the Building and Construction Trades

Tuition Free!

North Bay TIP is a Certificated Apprenticeship Readiness Program that will introduce you to apprenticeship in the many “Building and Construction Trades”. This program will allow you to explore many trades and prepare you with the skills and confidence needed to successfully apply and enter a state registered trade apprenticeship that is right for you!

North Bay TIP places emphasis on increasing the diversity of apprenticeship candidates by recruiting women, communities of color, veterans, transitioning adults and out of school youth.

WOMEN, yes you can do it!

The Union Advantage!

Great Wages, Health Care Benefits, Retirement Plans, Superior Training, Employer Connections, **Pride and Dignity!**

Take the First Step!

Register for a 2–3 hour Mandatory Program Orientation at:

www.LearnAConstructionJob.org

Choose an orientation date listed or put your name in for a future date, then attend the orientation.

Requirements such as High School Diploma or GED, valid California driver license, etc. will be discussed at the orientation.

Note: Sign up before June 22, to attend a special daytime summer session.

Partners include Marin, Sonoma, Napa, Lake, Mendocino and Solano Colleges, Adult Schools, Workforce Development Boards, Apprenticeship Programs, Building and Construction Trade Councils, and the CA Division of Apprenticeship Standards.

Major funding is by a CA Community College CAI grant through College of Marin.
